

### CITIZENS' TAX BODY TO MEET TOMORROW

Initial Report to Be Made by  
Committee Preparing Dis-  
trict's Case.

A second meeting of the joint citizens' committee representing civic organiza-  
tions will be held at the University  
Club tomorrow afternoon to receive an  
initial report from the executive com-  
mittee of five planning for the pre-  
sentation of the District's case in the  
investigation of the half-and-half prin-  
ciple ordered by Congress.

The executive committee, comprising  
H. B. F. Macfarland, chairman; Theo-  
dore W. Noyes, Corcoran Thom, Ed-  
ward F. Callahan, and D. J. Callahan,  
will recommend the appointment of  
subcommittees to assist in the com-  
pilation of data for the brief which is  
to be filed with the investigators by  
August 1.

It will also be recommended that the  
arguments be presented orally to the  
Congressional committee by two or  
three spokesmen representing all the  
civic bodies. It is not believed the Dis-  
trict should appoint too many spokes-  
men to appear at the Capitol in Sep-  
tember, and there will be evident a  
practical sympathy with the purpose of  
the Senate and House investigators to  
make the inquiry a brief, but thorough,  
one.

The joint citizens' committee probably  
will approve without question the  
recommendations of the executive com-  
mittee and the actual work of gather-  
ing information to be laid before Con-  
gress will begin next week.

### Hit on Head by Dog in Three-Story Fall, Dying

HOBOKEN, N. J., March 18.—A prize-  
winning bulldog tumbling through the

Schmidt as he was passing. Schmidt's  
skull was fractured, and he is dying in  
St. Mary's Hospital. The dog was  
killed.

The dog, owned by Mrs. Mary Cave,  
fell from a window on the third floor.

### Sofia Warns Turkey on Treatment of Bulgars

PARIS, March 18.—"The Bulgarian  
government," says a dispatch, "has just  
addressed a note to the Porte asking  
that measures be taken immediately to  
obviate the difficulties to which Bul-  
garian travelers are subjected in passing  
through Turkish territory, or that other-  
wise the friendly relations between Tur-  
key and Bulgaria will be gravely im-  
paired."

### Austria Facing Famine; Vienna Without Bread

Journal as saying that a famine is im-  
minent in Austria.

The Vienna newspaper is quoted as  
saying that bread is now unobtainable  
in the Austrian capital.

### Austria Must Yield or Fight, Says Rome Press

ROME, March 18.—War with Austria

Josef gives to Italy all Austrian dis-  
tricts inhabited by Italians, the news-

### Sisters of Poor Celebrate Feast

St. Joseph, Patron of Home, is  
Remembered by 230 Inmates  
of Institution.

The Feast of St. Joseph, the patron  
saint of the Little Sisters of the Poor,  
is being observed today at the Little  
Sisters of the Poor Home, Second  
and H streets northeast, but the usual cele-  
bration in which Washington society is  
so largely interested will not take place  
until April 21.

The feast day always falls on March  
19, but the celebration has been post-  
poned, because it was not thought best  
to hold such a large feast day during  
Lent. Accordingly, today the inmates of  
St. Joseph, in the hallway of the home  
is decorated and there are a few extra  
touches to the menu, but no marked  
festivities.

In keeping with the custom of former  
years, a number of women from the  
Diplomatic Corps and from Washington  
Society in general are expected to visit  
the home next month and do most of  
the cooking and serving of the dinner  
for the 230 inmates of the home. The  
labors of these women even extends to  
washing the dishes, and the occasion is  
one of the gala days of the year for the  
home.

### ANGLE CASE TO BE SENT TO JURY TODAY

Trial Hurried to Close With  
Scathing Excoriation of the  
Prisoner.

BRIDGEPORT, Conn., March 18.—  
With a scathing excoriation of Mrs.  
Helen M. Angle by State's Attorney  
Cummings, her trial for manslaughter  
in connection with the death of her  
aged admirer, Waldo Ballou, on June  
23, was hurried to a close today.

The case will go to the jury early this  
afternoon, after two hours' final argu-  
ments by the prosecution, and Judge  
Williams' charge. A quick verdict is  
expected. Before dark, it is believed,  
Mrs. Angle will know her fate.

Prosecutor Cummings, in his closing  
argument today, pictured Mrs. Angle  
and Ballou as principals in a "drunken  
brawl," and dwelt upon her abandon-  
ment of Ballou to save herself from  
scandal.
